Introduction

The M.P.H./M.S. in Management and Organizational Behavior dual degree program enhances the M.P.H. curriculum with coursework focusing on organizational management and human resource skills. This option requires application and admission to each degree program and the completion of all requirements for both degrees. The M.P.H./M.S. in Management and Organizational Behavior program results in both the M.P.H. and M.S. in Management and Organizational Behavior degrees and requires a minimum of 64 semester credit hours.
